Hello Elena:

Could you please describe what the meat handling requirements or restrictions are so that I can give you more clarity on what the restrictions are and with that you can give me the portfolio options that I could show you and then we can analyze them more specifically.

Regards,

Luis,

It was a pleasure meeting you and I am glad that we will be working together

We will be glad to help you determine what may and may not enter the USA. Before our discussion next week, could you list the products, their specifications and most importantly, the percentage of "meat" contained in the preparation?

Best regards.

Ele

Hello Elena:

It was lovely talking with you this week.

I wanted to ask you if proexport can advise us with some products that I always wanted to import but had heard could not be brought to the USA because of US government restrictions. Specifically they are some Zenu products.

Do you think we could go over this with proexport to see if products of this type can be brought to the USA and what the restrictions or duties would be under the FTA?

Hola Elena:

Me gustaria si nos pudieras describir cuales son los requerimientos o restricciones en el manejo de carne para con eso yo poder darles mas claridad sobre cuales son las restricciones y con eso me puedan dar opciones de portafolio que te podria mostrar y ya los analizamos mas especificamente.

Saludos.

Luis,

Fue un placer conocerte y me alegra que podamos trabajar juntos.

Con mucho gusto podemos ayudarte a determinar que puede o no entrar a USA. Mientras conversamos la otra semana, podrías hacer la lista de los productos, sus especificaciones y lo más importante es que porcentaje de "carnes" contienen en la preparación?

Muchas saludes,

Ele

Hola Elena:

Fue un placer conversar contigo esta semana.

Me gustaria ver si proexport nos puede asesorar con unos productos que siempre me han gustado traer pero que dicen por ahi que no se pueden traer a USA por unas restricciones del gobierno de USA. En particular son algunos productos de Zenu.

Crees que podriamos revisar esto con proexport para ver si este tipo de productos se pueden traer a USA y cual seria el tema restrictivo o de aranceles bajo el TLC?

Saludos.
